FROM THE ASSISTANT GENERAL MANAGER

As summer continues to fly by, we hope everyone is savoring every moment of the season. We've missed seeing some familiar faces around the club as many are off enjoying their last vacations with family and friends. As LCISD gears up to start the new school year on August 12th, we wish all our young members a fantastic and successful school year!

July was an eventful month. First and foremost, I want to extend a heartfelt thank you to all the residents who came together to support each other after Hurricane Beryl. Your generosity and community spirit truly embody the essence of Weston Lakes Pride!

Our annual 4th of July parade was, once again, a fantastic celebration. The decorated golf carts, classic cars, bikes, buggies, and joyful faces made the event a memorable one. A big thank you to everyone who participated and to our golf associations for leading the parade as Grand Marshal. If you missed out this year, we hope to see you next year!

As we round out the summer, there are still plenty of exciting events at the club to enjoy. Mark your calendars for our upcoming activities:

- **Trivia Night: August 6th**
- **Homestyle Brunch: August 11th**
- **Live Music: August 22nd**
- **Fried Chicken Night: August 29th**

Don't miss the last **Kid's Splash** of the year on **August 8th**, where you can enjoy some water fun and grill specials before school begins.

Looking ahead, WLCC offers a wealth of activities for the fall and beyond. Join us for Poker Night, Bridge, and Bunko at the club, or get involved with our local associations: the WL Women's Association, WL Garden Social Club, Keep Weston Lakes Beautiful, and the men's and women's golf associations. These groups are always happy to welcome new members. For more information or to host your own event, please contact Kennedy Navarrete, our Food and Beverage Director.

We hope you continue to enjoy the rest of your summer, and we look forward to another great month ahead!

Thank you,
Katelyn Surface Gray, Assistant General Manager

GARDEN SOCIAL CLUB

This is a challenging time of year for us with the heat and humidity! One way that the Garden Social Club is trying to "Beat the Heat" is by continuing our recent summer tradition of Chill at the Grill at the Waterside Grill on the last Tuesday of the month at 11 a.m. Come join us to enjoy each others company, have a cold drink, or order lunch! As we all endure the hot days of summer, here are some ways to give your summer garden a boost.

• **Hydrate.** When it's hot, dry and muggy, the best thing is a nice cold drink. Your plants need some H2O, too. The trick to keeping your garden hydrated is not to water more, but to water smarter. Water plants deeply in the morning so they have the entire day to soak it up. Make sure you water a minimum of 6 inches down. Don't guess – check your soil moisture level by using a trowel to dig 6 inches down.

• **Keep your soil covered with 2- 4 inches of organic mulch.** Using straw, grass cuttings, shredded leaves, etc. for mulch will keep the soil cooler and prevent it from drying out as quickly. Don't use too thick of a layer though. While mulch can help preserve moisture in the soil, a thick layer can also prevent rainfall from reaching the soil underneath.

• **Space your plants farther apart.** Plants spaced closely together will compete strongly with each other for water. If you are able to space your plants farther apart, they will experience less stress during periods of extreme heat.

• **Keep your garden well weeded.** Weeds usually have much more vigorous root systems, and they can out-compete with your plants for water in the soil.

August's Chill at the Grill will be August 27th at 11 a.m. at the Waterside Grill. We are collecting dues for the upcoming year of Friendship, Flowers and Fun. If you pay your dues now, they are just \$25 for the year. After the September meeting dues go up to \$30. Take advantage of the savings now and mail your check to 4958 Westchester Drive, or porch drop it off. Checks are also accepted at our Chill at the Grill gatherings. Please include your email, clearly written, on the check. You won't want to miss the exciting programs that the Board is putting together for this next year!

The pictures here are from our gathering on June 25th. Plan to join us for some fun conversation, cool drinks and lunch!

FROM THE GOLF SHOP

Keith Simmons
Director of Golf

As we move into August, the summer is passing by, but the heat is not giving us much of a break. So, make sure to grab a bag of ice and a cup water from the pro shop before teeing off.

We would also like to ask for your help on keeping up with the pace of play since we have an increase of play on our course. The typical pace of play for 18 holes of golf is 3 hours and 45 minutes to 4 hours, and we would appreciate all golfers pacing their group to stay within that time frame. We are striving to make everyone's golfing experience enjoyable, and we appreciate your assistance in doing that.

General play rules to remember, 90 degrees from cart path should be used at all times, except when restricted to cart-path-only days. This does not mean to drive down the rough to get to your ball. Also, do not drive any closer than 30 yards from the green. Carts must remain on cart path on all Par 3 holes.

Do not drive golf carts onto home owners' property, and please abandon golf balls that go into the private yards on the golf course. Thanks to everyone for your corporation.

Our goal is always to provide a quality experience for all of our members and their guests.

Keith Simmons, Director of Golf

GOLF COURSE MAINTENANCE

July ended with a few beneficial rain showers that really helped the golf course in some areas that we don't have irrigation. The grass has started to grow very rapidly, and the maintenance staff is working hard to keep up with its growth. We had a few weeks last month that we got behind on the rough due to the rain, and this will happen from time to time. We appreciate your patience during these rain events. I hope August brings a few showers like we had in July to keep us heading in the right direction. We started weed control in July and will continue into August. You will notice some yellowing of the turf in the roughs, but don't be alarmed. It will green right back up in a couple of weeks. I hope everyone is enjoying the course conditions, and as always please repair your ball marks and sand your divots.

Shannon Donaway, Golf Course Superintendent

AUGUST GOLF TOURNAMENTS

MGA Lone Ranger
Thursday, August 8th • 8:30 a.m. Shotgun Start

Notice: Greens Aeration on Monday, August 12th

News:
Congrats to our golf members who made a Hole in One during July!

MEN'S GOLF ASSOCIATION

We're down to 2 final events for our MGA season -- the remainder of Match Play and the Club Championship. The season-long points race, which will determine the qualifiers for MGA postseason events, is really tight with the top spot up for grabs. We continue to welcome new members, and it has been awesome to see so many at our playdays and participating in the tournaments. If you are new to the club, we'd love to see you at one of our regular playdays: we have official games on Friday afternoon, Saturday morning, and Sunday morning. Association members also organize a couple of casual games at other days and times. If you are interested in learning more please reach out to westonlakesmga@gmail.com and we'll be happy to discuss.

Update

In June we held our Lone Ranger tournament. As a reminder, the Lone Ranger consists of teams of four members with mandatory scores of a designated member (i.e. the Lone Ranger) being used on every hole. For example: if the scores of the four-man team on hole 1 are par, par, par, triple bogey and the designated Lone Ranger on the first hole is the member that made triple bogey, that score must be used along with the 2 best scores among the 3 other players. So instead of the team scoring a combined par, they would score 3 over par. This tournament rewards consistency and nerves of steel. We had 60 players (15 teams) compete over 3 flights. Congratulations to all the winners!

Flight 1 - Eric Echter, Ryan Nordt, Nick Carlson, Rusty Jackson.

Flight 2 - Bruce Whitney, Stephen Dennis, Scott Saulters, Les Stanbery.

Flight 3 - Colin Toole, Tommy Jacobs, John Blair, Corky Lemieux.

We also wrapped up the group stage of Summer Match Play and have moved on to the knockout rounds! Update on the standings will be shared in the next newsletter.

Reminder: The season-long points race is heating up! Let's take a look at our top 20 as of completion of Lone Ranger.

These points go toward qualification for postseason tournaments such as the Weston Cup (MGA vs. SMGA), Fort Bend Cup (WLCC MGA vs. Falcon Point MGA), and the Top Ten Points end-of-year cash tournament! With so much activity taking place over the next 6 weeks there is certain to be lots of movement in these standings. And just remember, you can't win if you don't play. See y'all on the course!

If you have any accomplishments to report or any suggestions please send to westonlakesmga@gmail.com.

Regards,
Dan Masch,
Secretary, WLMGA

SENIOR MEN'S GOLF ASSOCIATION

June was a good month. We had our Member-Partner Tournament; we played in the Interclub Tournament; the Match Play is well underway; and there were some great achievements.

June's Interclub Tournament was on 6/13, hosted by Pecan Grove. We had a difficult time getting 8 players, but at the last-minute Rick Oneto graciously joined in with J. Kemper, R. Kimbrell, J. Jones, J. Brooks, B. Crawley, T. Marlatt, and M. Johnson. We only placed 6 of 8 teams, but we did make our required stableford quota points. A big thank you to our 8 players.

The Interclub League doesn't play a tournament in July, but on Thursday, 8/15, Willow Fork C. C. will host the next tournament. If you would like to play, please contact Harry Wilson: 713-542-4471. If you would like to learn more about the Interclub League, check their web site: wsiga.org.

On Friday, 6/14, we held our annual SMGA Member-Partner Tournament. We had 68 players in 4 flights. Payouts were for the first 4 places in each flight and CTP for gold tee players and red / orange tee players.

Flight winners:

- Flight 1** A. Wagner & L. Pinkerton
- Flight 2** D. Wonnacott & T. Lenney
- Flight 3** R. Bartek & M. Bartek
- Flight 4** R. Hanagriff & T. Jacobs

CTP Winners:

- | | |
|--------------------------|---------------------------------|
| #3 Gold M. Moore | #13 Gold R. Bartek |
| #3 R/O B. Moore | #13 R/O J. Janik |
| #7 Gold M. Bartek | #16 Gold E. Fotheringham |
| #7 R/O H. Frauli | #16 R/O J. Brooks |

We had 2 HOIs this month. G. Martin with a HIO on #16. He used a 9-iron for the 111-yard shot. An interesting fact: he used a ball that he found in his yard, and it had the initials B.B. on it (thank you Bobby Brown). Gary's 2 fingers indicate that this is his 2nd HIO.

G. Martin

H. Frauli retrieving his ball after a HIO on #3. He used a PW for the 105-yard shot. This was Harold's 5th HIO.

H. Frauli

It's a good thing that the SMGA has an HIO insurance program, because the margaritas were flowing.

We have one new SMGA member this month; please welcome Jerry Weant.

WOMEN'S ASSOCIATION

Ladies, summer is almost over, and I hope everyone is enjoying the last few weeks of these hot days and recovering from Hurricane Beryl.

Every year, your generous support, and contributions to the Women's Association through our community fundraising efforts, i.e., the Scholarship/Grant Fundraiser, Swap Meet and Fall Festival, all fund our philanthropic arm -- The Women's Association Foundation. Our association, with a mission to support education and uplift deserving individuals, has awarded many scholarships through the years. Now let us delve into some of these students' academic journeys and see "Where are they Now?"

Anika Adams, a wonderful bright young lady, was selected as the one of the 2020 recipients of the Women's Association Scholarship, due to her exceptional academic performance and leadership qualities. The scholarship provided her support to assist in pursuing her dreams and focus on her studies while seizing every opportunity that came her way. Here is what Anika has been up to in her own words:

"I received the Weston Lakes Women's Association scholarship in the Spring of 2020, following my graduation from Churchill Fulshear High School. That fall, I began pursuing my degree in Theatre at Texas Tech University with a minor in Business Studies. It has been my goal for the past four years to go into Arts Administration and use my career to support Arts Community Engagement programs across the United States, and I'm thrilled to say that I've now started down that path. After graduating this summer Magna Cum Laude with a Bachelor of Arts in Theatre, I will be moving to Juneau, Alaska, to begin a nine-month contract with Perseverance Theatre as their Artistic Apprentice. It's an honor to thank the Weston Lakes Women's Association for supporting my endeavors and for sponsoring the students within our community as they make their way into the world."

We are so proud of Anika and all her future endeavors! This is a shining example of how a small act of kindness and support can sow the seeds of greatness.

As we celebrate stories like Anika's, we are reminded of the power of education, mentorship, and community support in shaping the future of aspiring individuals. The journey from scholarship recipient to successful professional is a testament to the resilience, determination, and transformative power of education and the giving spirit of Weston Lakes.

And yes, we still need your help! We want to continue to support students like Anika. Please consider a contribution to the Scholarship Fundraiser, Community Challenge. We love supporting scholarships, grants, and non-profit organizations in Ft. Bend County.

Thanks to all who have made this year great. We have so many exciting events coming to you in the following program year, including a new event -- a Pickleball tournament! Details to follow. Please save the date for the WLWA Casino Night September 28; more details to follow. Please email jfrancois@kw.com to reserve your spot.

KEEP Weston Lakes BEAUTIFUL

Native Plant Spotlight. Looking for a showy plant for your garden? Native plants provide benefit for wildlife and can make your yard look beautiful. Let's take a look at the Fall Obedient Plant (*Physostegia virginiana*). This outstanding native perennial can reach up to five feet tall with snapdragon-like blooms in purple, pink, or white. The gorgeous blooms attract hummingbirds and butterflies and bloom mid-summer through November.

The Fall Obedient Plant adapts to sun, part-shade, and shade and prefers a moist soil. It spreads by runners, but is easy to pull out and keep in check. A great bloomer to add color to your gardens in summer and fall!

3Rs Tip Box

By Allison Dewees

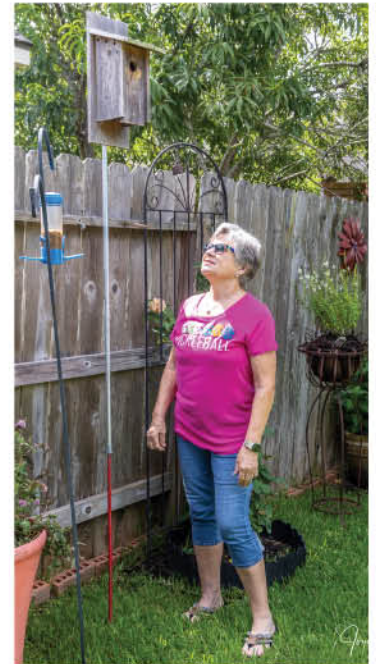

Yep, we've hit the dog days of summer and our gardens and water bills are feeling it. But, a great solution to this is harvesting rainwater. Barrels are not expensive and are easy to hook up to your downspout. They help conserve water, reduce the demand on groundwater, and are good for the gardens.

Remember those Bluebird Nest Boxes KWLB sold? We hear lots of great stories about residents who added these to their yards and now have Eastern Bluebirds as part of their backyard family! Here's what Brenda Sorrells had to say recently. "I have baby bluebirds! Their mommy and daddy are being really good with feeding them and I can see them poke their little heads out! I have had so much fun watching them!!"

"I have baby bluebirds! Their mommy and daddy are being really good with feeding them and I can see them poke their little heads out! I have had so much fun watching them!!"

At the turn of the 20th century the Eastern Bluebird population had plummeted by 90% due to habitat loss. As secondary cavity nesters (they use old tree cavities of woodpeckers and other birds), the cutting down of dead trees diminished their nesting habitat. The erection of many artificial nest boxes has saved the Eastern Bluebirds from possible extinction. Thanks Weston Lakes for doing your part!

Waterside Grill

DID YOU KNOW?

With so many new residents and golf members joining the country club recently, we wanted to take this opportunity to explain our food and beverage service charge policy.

Most servers in the food and beverage industry are paid a small hourly wage, and the majority of their income is derived from tips. The federal minimum wage for wait staff is actually much lower than the standard minimum wage for other workers. However, unlike a normal restaurant that is open to the public, the Waterside Grill has restricted access and therefore the number of people dining in the Grill can be very unpredictable. The club has always added a service charge to all checks, which is standard in the country club industry, and in the past it went directly to the servers that were working that particular table as a tip.

However, we found it was very difficult to hire and retain staff willing to work during the off-peak hours (breakfast, lunch and some dinner shifts) because many times there are simply not enough customers to generate enough in tips to earn a livable wage.

In order to hire and retain a qualified staff to serve our members at all times, we found it was necessary to pool the service charge and spread out among the servers in the form of a higher hourly wage. This helps to ensure them of a fair income whether they were working during peak or non-peak times.

All our servers are paid an hourly wage that is much higher than the industry standard, and although the standard 18% service charge on your check does not go directly to your server for your meal, it does subsidize a higher wage rate for your server. Of course any additional tip that you choose to add to your check, does go directly to your server for that meal. While this change in compensation structure may have a higher operating cost, it has accomplished our primary objective of retaining a qualified and stable workforce to service your dining experience.

We look forward to serving you soon!
