# MANAGEMENT TEAM

## FROM THE ASSISTANT GENERAL MANAGER

*Katelyn Gray  
Assistant General  
Manager*

As summer draws to a close and fall comes into view, we hope you all enjoyed the array of events during these warm months. With the kids back in school, we're excited for the fun that September brings! We'll kick off the month with the Labor Day holiday weekend. Please note that the Club facilities will be open on Monday, September 2nd, and closed on Tuesday the 3rd. We hope to see you out on the golf course, getting in a workout at the Fitness Center, or enjoying a delicious BBQ special at the Waterside Grill. As a reminder, Labor Day weekend will be the last chance to enjoy our Family Pool, but the Splash Pad will remain open with regular hours until September 30th.

September is always an exciting time as we prepare for the upcoming Club Championships. The SMGA will compete on September 12th-13th, the MGA on the 14th-15th, and the LGA on the 27th-28th. Best of luck to all our players! This month also marks the return of our seasonal Club Association meetings. The Weston Lakes Women's Association will hold its first meeting of

the season on September 17th, followed by the WL Garden Social Club on September 24th. If you're interested in joining any of our Club Associations, please contact our front office.

Our monthly events continue with Homestyle Brunch on the 8th, Trivia Night on the 10th, Live Music on the 19th, and Fried Chicken Night on the 26th. We're also thrilled to host our 2nd annual Father-Daughter Dance on September 21st—a magical evening filled with great food, games, dancing, and unforgettable memories. Be sure to call and reserve your spot! Additionally, we're teaming up with the Weston Lakes Women's Association for a Casino Night Fundraiser on September 28th. All WL residents are welcome, and all proceeds will benefit the WLWA Foundation-Scholarship and Grant Fund. (Please refer to the ads for more details on these events!)

Wishing all our Weston Lakes students a fantastic school year ahead, and we look forward to seeing you around the Club!

Thank you,

**Katelyn Surface Gray,**

## FROM THE GOLF SHOP

Keith Simmons  
Director of Golf

With the kids back in school, and football season starting up, it's starting to feel like autumn again. With the cooler weather headed our way, hopefully soon it will be giving us more time to get out of the house and enjoy some time outside without the heat.

Also, as we move into September, we are getting excited about the upcoming Club Championship for the SMGA on September 12th and 14th. This Event will be followed by the MGA Club Championship on September 14th and 15th

and we will close out the month with the LGA Club Championship on September 27th and 28th.

If you get a chance to come by the Golf Shop, checkout merchandise specials that we will have going each month.

Our goal is always to provide a quality experience for all of our members and their guests.

Keith Simmons, *Director of Golf*

## GOLF COURSE MAINTENANCE

The hot days of August are behind us, and the maintenance staff is looking forward to cooler days in September and October. September should be a great month for golf; we have the club championship and the greens should be in great condition. We had to heal the greens back from the fungus damage in August due to the wet June and July, and our not being able to Aerify or Verdicut. As I make my way around the course, I have noticed a considerable amount of divots not being repaired on the greens. This is unfair to the players who do repair there ball marks, if you hit your ball on the green there will be a ball mark and if you can't find it please repair one that you do see. An unrepaired ball mark takes two weeks to heal, a repaired ball mark only takes three days to heal. Thank you for your help with this issue. Hope to see you on the course, and as always please repair your ball marks.

Shannon Donaway, *Golf Course Superintendent*

## LADIES' GOLF ASSOCIATION

Well Ladies, it's hot, hot, hot. Blessings to our playday chairman, **Bonita Yarbrough**, for creating games that only involve playing 9 holes. That is, we don't have to finish 18 holes for the game. Thank you, Bonita.

This month is our WLLGA Club Championship and President's Cup tournament on Friday, September 27, and Saturday, September 28. Tee times begin at 8 a.m. both days. Lunch will be provided on Saturday after play, which will also be our meeting to vote on the new Board of Directors for 2025. Nancy Wood will send out more information with a signup sheet in the pro shop.

Celebrating birthdays in September are:  
**Adri Bormans** 16th, **Pam Skeen**, 16th,  
**Wendee Court** 22nd, **Belinda Olliff** 25th,  
**Bonnie Carr** 27th, **Teresa Abbott** 28th.

"What did the cupcake say to its frosting?  
I'm muffin without you!"

See you soon.

## GOLF CAMP 2024 AGES 9+

## GOLF CAMP 2024

## SENIOR MEN'S GOLF ASSOCIATION

We're into the heat of the TX summer. The 1st week of July, it averaged over 96 degrees, but it felt like over 105. It's important that we remember to hydrate, hydrate, hydrate. Then we had Beryl, and then a storm system lingered over our area for over one week. Our Lone Ranger Tournament was scheduled, and the 2024 Match Play was completed.

On 7/4, Weston Lakes had its annual parade, and the LGA, MGA, & SMGA were recognized as the Parade Grand Marshalls.

After Beryl came through, our greens keepers worked hard and had the course open after 2 days. Many thanks for their hard work. The subsequent weather system that lingered over our area produced daily rain for over 1 week. July's total rainfall fall for Weston Lakes was 13.08 inches. This has really helped keep our course green but kept us on CPO for almost 2 weeks. The course was even closed on 1 of our playdays, 7/25. The photo is the tee box on #6 where 1 of several large pecan trees came down during Beryl.

Our Match Play Tournament was completed with the final 2 competitors being: John Kemper and Brad Boydston. John emerged as this year's champion after 21 holes.

The Interclub League doesn't play a tournament in July, but on Thursday, 8/15, Willow Fork C. C. will host the next tournament. If you would like to play, please contact Harry Wilson: 713-542-4471. If you would like to learn more about the Interclub League, check their web site: [wsiga.org](http://wsiga.org).

The Lone Ranger Tournament was originally scheduled on Thursday, 7/11, but was rescheduled due to possible inclement weather. The tournament was to take place on 7/18 but had to be cancelled again due to possible inclement weather. It was rescheduled for Thursday, 8/8.

Looking forward, our last tournament of the year is the Club Championship scheduled for 9/12 & 13.

We have one new SMGA new member this month; please welcome Jack Raymer.

**Jerry Kanney**  
SMGA 2024 Secretary

## MEN'S GOLF ASSOCIATION

Hard to believe we're near the end of our MGA regular season! But that does mean two positive things: 1. Summer is almost done, and 2. Hurricane season is almost over. Soon we'll get that first autumn cool front and we'll be able to join these great golf course conditions in much greater comfort. Hang in there fellow golfers! Besides our last 2 events, the season-long points race, which will determine the qualifiers for MGA postseason events, is really tight with the top spot up for grabs. We continue to welcome new members and it's been awesome to see so many at our playdays and participating in the tournaments. If you are new to the club, we'd love to see you at one of our regular playdays: we have official games on Friday afternoon, Saturday morning, and Sunday morning. Association members also organize a couple of casual games at other days and times. If you are interested in learning more, please reach out to [westonlakesmga@gmail.com](mailto:westonlakesmga@gmail.com) and we'll be happy to discuss.

### Update

August is always a slow month, with only the summer match play on our calendar. Congratulations to the final 4 of each bracket:

**Weston Bracket:** Eric Echter, Lee Sanudo, Nick Carlson, Mike Horrell.

**Lakes Bracket:** Steve Cox, Wes Atkinson, Brad Boydston, Rusty Jackson.

**Oxbow Bracket:** Scott Saulters, Tony Alvarado, Richard Hanagriff, Dan Masch.

**Riverwood Bracket:** John Blair, Bruce Hunsucker, Scott Sipes, Vance Duncan.

We've had a lot of matches requiring sudden-death extra holes this year, which has made for a really entertaining tournament, and I'm sure the semis and finals will be no exception.

### Reminder:

The season-long points race is heating up! Let's take a look at the right of our top 20 as of completion of Lone Ranger:

These points go toward qualification for postseason tournaments such as the Weston Cup (MGA vs. SMGA), Fort Bend Cup (WLCC MGA vs. Falcon Point MGA), and the Top Ten Points end-of-year cash tournament! With so much activity taking place over the next 6 weeks, there is certain to be lots of movement in these standings. And just remember, you can't win if you don't play. See y'all on the course!

If you have any accomplishments to report or any suggestions please send to [westonlakesmga@gmail.com](mailto:westonlakesmga@gmail.com).

Regards,  
**Dan Masch,**  
Secretary, WLMGA

## WOMEN'S ASSOCIATION

I hope everyone had an amazing summer. Is it just me or are they always too short? Hopefully, there were many moments of happiness and gratitude spent with our families this summer!

We have had an amazing year in the Women's Association and are gearing up for our fall events. We will be hosting the Fall Festival, Casino Night and the Christmas Tour of Homes. If you know me, you know Christmas is my favorite time of year. We are seeking volunteers for our Christmas Tour of Homes! If you are in the spirit and would love to open your home up, please let me know; we would love to partner with you and your family.

All of our events this year have focused on raising funds for the Women's Association in partnership with the Women's Association Foundation, the giving arm of our community. The Community Challenge is still going on and we need you! The Community Challenge is so important to our community. Why is the Community Challenge so important?

### 1. Strengthening the Community Fabric:

When individuals and businesses engage in philanthropic activities and give back to their communities, they contribute to the overall well-being and strength of the community. By supporting local initiatives, events, and causes, they help build a sense of unity and solidarity among community members. This shared commitment to improving the community forms the foundation for the creation of opportunities such as scholarships for young people.

### 2. Investing in the Future:

Scholarships play a crucial role in providing access to education and opportunities for young people who may not have the financial means to pursue their academic goals. When members of the community donate funds to establish scholarships, they are directly investing in the future of these individuals. By supporting education through scholarships, communities empower young people to reach their full potential and become future leaders and change-makers.

### 3. Fostering a Culture of Giving:

Engaging in philanthropy and giving back to the community helps foster a culture of giving that extends beyond individual acts of charity. When community members see the impact of their contributions in the form of scholarships and support for local agencies, they are inspired to continue their involvement and support. This cycle of giving creates a sustainable network of support that benefits both individuals and organizations in the community.

### 4. Supporting Local Agencies:

In addition to generating scholarships, giving back to the community also provides much-needed support for local agencies and non-profit organizations. These entities often rely on donations and volunteer efforts to carry out their missions and provide essential services to the community. By contributing time, resources, and funds to these agencies, community members help ensure their continued operation and ability to serve those in need.

### 5. Creating a Positive Feedback Loop:

The connection between giving back to the community, scholarships for young people, and support for local agencies creates a positive feedback loop of community engagement and empowerment. As individuals and businesses continue to invest in their communities, the benefits multiply and spread, leading to a more vibrant and resilient community as a whole.

Giving back to the community is a powerful force for positive change that can generate scholarships for young people and provide vital support for local

agencies. The ripple effect of giving back extends far beyond individual acts of charity, creating a network of support and opportunities that benefit everyone involved. Please consider giving to our wonderful community and supporting the Community Challenge. We want to continue to be Weston Lakes Proud!

## KEEP WESTON LAKES BEAUTIFUL

*"Inspire, educate, and empower our community to sustain and enhance the natural beauty and environment of Weston Lakes"*

**Hot Summer in the Butterfly Garden.** All the little pollinators, the bees and butterflies, love the blooming gardens and some star volunteers made sure it was in great shape for them! Anistyn and Annalyn Nuschler joined Brenda Sorrells, Karen Morris, and Janet Bartek to spruce up the gardens and tend the native plants. Anistyn and Annalyn showed off a stepping stone from the garden that they made five years ago at a KWLB event. How cool is that!!

The KWLB Butterfly Garden is not only a beneficial element to support critical pollinators, it is a beautiful feature for people to enjoy in Pecan Park. Boone, Tate, Bode, and Teagan, grandsons of Jim and Mary Alice Daniel were spotted enjoying a morning walk through the park, checking out the butterflies and bees.

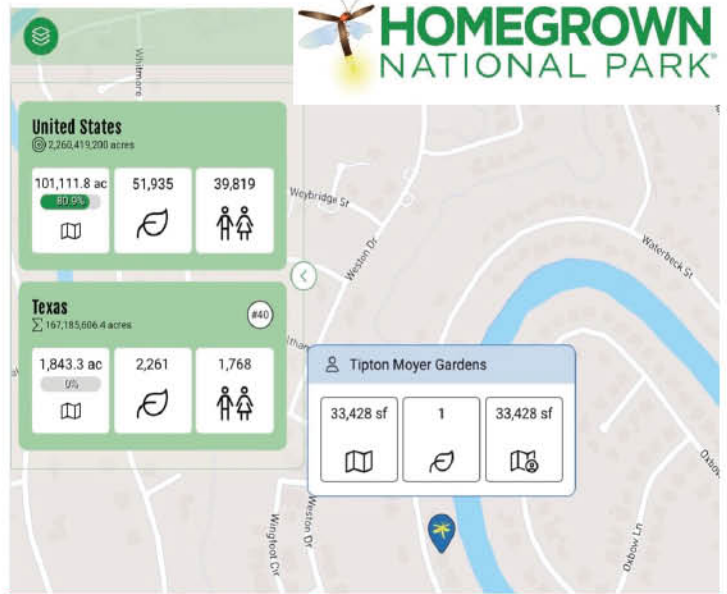

Did you know that for one out of every three bites of food you eat, you can thank a pollinator??

**Let's light up Weston Lakes on the Homegrown National Park Map!** Homegrown National Park is a grass roots movement to regenerate biodiversity and productive ecosystems with native plants. According to co-founder Doug Tallamy, "Our National Parks, no matter how grand in scale, are too small and separated from one another to preserve native species to the levels needed. Thus, the concept for Homegrown National Park, a bottom-up call-to-action to restore habitat where we live and work, and to a lesser extent where we farm and graze, extending national parks to our yards and communities."

Whether you plant a few native plants or repurpose your whole yard with native gardens, you can put your location on the map! Many residents in Weston Lakes already have native pecan, oak, and other native trees in their yard and those count! Check out [homegrownnationalpark.org](http://homegrownnationalpark.org) to learn how you can put your yard on the map.

### 3Rs Tip Box

*(from a gardening perspective!)*

by Allison Dewees, Texas Master Gardener

September is a great time to garden...from your air conditioned couch! Evaluate your existing garden, what thrived and what didn't, and start planning next year's gardens considering a few key points. Think native plants, there's a reason they survived throughout history without our help. Also, consider plants designated as Texas Superstars that are proven to perform well in our tough growing conditions. Buy plants that will do well in our planting zone of 9a/b. When planning your beds consider the requirements of the plants. Do they like shade, full sun, moist soil, for example. With these factors in mind you will **reduce your time, energy, and money** in addition to having a beautiful garden.

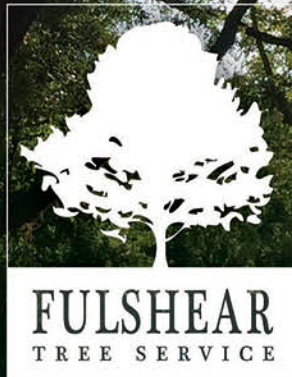

*Please help us keep our events and projects going! You can volunteer, make a tax deductible donation, or receive more information by emailing [info@KeepWLBBeautiful.org](mailto:info@KeepWLBBeautiful.org) - or just text Joyce at 713-882-1331.*

## FROM THE MAYOR

*Hello Neighbors,*

**City Web Site** The City of Weston Lakes' web site address is [westonlaketexas.gov](http://westonlaketexas.gov). This is the city's official means of communication for the latest information on council meetings, hurricane updates, debris pick-up, election information and everything else that pertains to the city. For newer residents not familiar with the separate entities in Weston Lakes, the City of Weston Lakes is different from the Weston Lakes Property Owners Association and the Weston Lakes Country Club, each of which has their own website.

**Back To School** With school now in session, please be cautious as kids get on and off the busses in Weston Lakes. Please be patient and do not speed past a moving bus or pass a bus with its lights flashing.

**Fort Bend County Fair** The Annual Fort Bend County Fair takes place each September in and around the Fairgrounds in Rosenberg. A couple of events in which Weston Lakes residents may be interested include Senior Citizen Day and the Fair Parade.

**Senior Citizens' Day** is a popular free event that brings senior citizens from all over Fort Bend County to enjoy a day of fun and interaction amongst their peers. Activities include bingo, music and lunch. Door prizes and goody bags will be given away, and vendors will also be set up with useful information for attendees. The fun begins at 9:00 a.m. in Fairgrounds Building C on Monday, September 23.

**Fort Bend County Fair Parade** The parade will officially kick off the 88th Annual Fort Bend County Fair & Rodeo on Friday, September 27th at 9:00 a.m. School is out that day, so bring the family to watch the parade wind its way from the Historic Court House in Richmond and proceed west down Hwy. 90-A to Jennetta Street in Rosenberg.

**Fort Bend Buyers Group** The Fort Bend Buyers Group is a collection of individuals who join together each year to support our youth at the Fort Bend County Fair. I encourage all Weston Lakes residents to join me in this worthwhile program. For more information, please visit their web site at [www.fbbuyersgroup.com](http://www.fbbuyersgroup.com)

**Council Meetings** Regularly scheduled City Council meetings will be in the Weston Lakes ballroom on the fourth Tuesday of each month at 6:00 p.m., unless noted on the city website due to a holiday conflict or meeting cancellation. The public is always welcome.

**Summer Swim Classes** The summer swim safety program was a success this year with about 50 kids participating in swim safety classes. A big thank you goes to City Councilman Bill Ragle for organizing the event and taking care of registration. Thank you also to Nicole Balac-Davies and her daughter, Taylor, for providing the swim safety instruction.

**Bob Wall**  
Mayor – Weston Lakes

## GARDEN SOCIAL CLUB

September is here! As we get ready for fall football, cooler weather and school activities, the Garden Social Club is ready to kick off another year of exciting programs! Our September meeting will be held on Tuesday, September 24th. Jim Stepp, a Master Gardener from Fort Bend County Master Gardeners will present a program on trees that are appropriate for our area and tips for caring for them. We all know how trees can add value to our property and fall is a great time to plant trees in our area. Trees provide many things, like oxygen, food, shelter and more, to all living creatures. They make the places we live in less polluted by filtering the air. We will meet at 10:00 in the Club Ballroom to visit with each other and the program will start at 10:30. This meeting will be the last opportunity to get this year's membership for only \$25. After the September meeting dues are \$30. So plan to join us for this informative program and stay for lunch to visit with your Garden Social Club friends.

Our meetings are the fourth Tuesday of the month at 10:00 in the Club Ballroom unless otherwise noted. Here is the program schedule for 2024-2025:

**September 24th** – Joe Stepp, Master Gardener from Fort Bend County Master Gardeners, will present on Trees.

**October 22nd** – Field Trip to Portilla Home and Garden in Rosenberg. We will make a pumpkin décor item to take home and have lunch afterward. Carpools will be available.

**November 12th** – A Holiday Greenery presentation to learn about holiday evergreen traditions. We will make a greenery item in groups and those items will be donated to the Brookshire Residence and Rehabilitation Center. **Note: 2nd Tuesday of the month.**

**December 10th** – Christmas Gift Exchange. Members and guests who want to participate please bring a wrapped \$15 gift. **Note: 2nd Tuesday of the month.**

**January 28th** – Dr. Cherie Kane, board certified naturopathic, will present on Healing Herbs.

**February 25th** - Sandra Gray, Master Gardener from Fort Bend County Master Gardeners, will present on Container Gardening.

**March 25th** - Christina Alapat, Master Gardener from Fort Bend County Master Gardeners, will present on plants that attract butterflies and hummingbirds. A Seed/Seedling Exchange will be held at this meeting.

**April** - Field Trip to Fluorescence at the Houston Museum of Fine Arts and lunch afterward. Carpools will be available.

**May 8th** – 1960s themed Evening Party. **Note: 2nd Thursday of the month.**

As you can see, our Vice Presidents, Jean Lobo and Donna Stafford, have planned great programs for us for this next year! Mark your calendars now and plan to join us!

We kept in touch with each other through the summer at our Chill at the Grill meetings at the Waterside Grill. It was great to catch up with friends and have lunch together. We are excited for our upcoming year of Friendship, Flowers and Fun and are collecting dues now. If you pay your dues now, they are just \$25 for the year. After the September meeting dues go up to \$30. Take advantage of the savings now and mail your check to 4958 Westchester Drive, or porch drop it off. Please include your email, clearly written, on the check. The pictures here are from our July Chill at the Grill gathering. We look forward to seeing you at our September 24th meeting!
