FROM THE ASSISTANT GENERAL MANAGER

Katelyn Gray
Assistant General
Manager

October brought us beautiful weather, and now with the holidays quickly approaching, there's excitement in the air for the fun, family, and cherished memories ahead! This past month, we wrapped up our golf association's Club Championships.

Congratulations to all the winners! A huge thank you goes out to the board and every member for their hard work this year. Mid-month, we celebrated our annual Weston Lakes Proud event, which saw a fantastic turnout filled with fun and fellowship. We look forward to keeping that pride alive in our community throughout the year. And to top off October, we had a blast at our Trunk or Treat! Between the costumes, dancing, and endless candy, everyone enjoyed a spooktacular time!

November at the club promises even more fun, and we'd love for you to join us for some upcoming events. The Weston Lakes Women's Association will hold its 2nd Fall Festival on Saturday, November 2nd. Bring the family for chili, cornhole, and good times! Also, don't forget to set your clocks back one

hour that night for the end of daylight saving time. Please note that with the time change, the Golf Course and 19th Hole will now close at 6 p.m.

Be sure to mark your calendar for Homestyle Brunch on November 10th — this is your last chance of the year to savor our famous fried chicken, so make your reservations early! On Tuesday, November 12th, we have Trivia Night, followed by Live Music on November 14th. Our annual Holiday Sip and Shop on Friday, November 15th, is a great opportunity to check off some items on your Christmas shopping list. We hope to see you there!

As the busy holiday season kicks off, why not let our talented chefs at the Waterside Grill handle your Thanksgiving meal? Offering a delicious spread, you can pre-order your family's feast, pick it up on Wednesday, November 27th, and enjoy a relaxed holiday. Contact our FB Director, Kennedy Navarrete, to order!

Wishing everyone a wonderful November and a very Happy Thanksgiving!

GOLF COURSE MAINTENANCE

October ended up being a great month for golf. We had the MGA member-guest, the weather was perfect and the golf course was in great shape for the tournament. We have started our fall pre-emergent herbicide spraying, so you will see some foam around the course used to mark where we have sprayed and which we should complete by the third week of November. November 1st, we will be going to mats only on the driving range tee while we grow in our over seed during the month of November. As always, please repair your ball marks on the greens, and I hope to see you on the course.

Driving Range Policy Update: Irons Only When Teeing Area Is Mid-Way Forward

Due to advancements in golf technology, the distance that clubs can hit the golf ball has increased significantly. As a result, our driving range, particularly from the mid-way forward teeing area, has become too short to accommodate drivers, fairway woods, and certain hybrid clubs.

Effective Immediately:

1. Irons Only Policy:

- When the teeing area is set to mid-way forward, only iron clubs may be used. This restriction aims to enhance safety and ensure an enjoyable practice environment for all members.

2. Signage:

- Signs will be displayed to clearly indicate when the "Irons Only" policy is in effect.

3. Compliance:

- Members are expected to adhere to this policy. If a member is found to be using non-compliant clubs, they will be held responsible for any damage to property.
- Continued disregard for these restrictions may result in suspension or termination of golfing privileges.

We appreciate your cooperation as we work to maintain a safe and enjoyable driving range experience for everyone.

Thank you for your understanding.

FROM THE GOLF SHOP

Keith Simmons
Director of Golf

November is here!!! Along with the cooler temperatures, this will be a great month for golf. With cooler temperatures, it also tells us the holiday season is near, so if you are looking for that special gift, stop by the pro shop and check out our fall merchandise along with all the great pricing on the leftover merchandise from the Member-Guest Tournament and inventory that will be on closeout before the end of the year. So don't be the one to miss out.

Be sure to use your "Pro Bucks" before the end of the year.

Also, last month it was great seeing everyone one out playing golf. The LGA held its Ringer, and the club held its Weston Lakes Member-Guest Invitation golf tournament along with the Weston Lakes Proud Event to closed out October. Congratulations to all the Winners.

Upcoming in November the LGA will be hosting its Member-Guest on Wednesday the 6th. Always a great time for the Ladies.

Driving Range Update, the golf technology over the year has increased the distance that the golf clubs hit the golf ball. Our driving range from mid-way forward on the teeing area has become too short to handle drivers, fairway woods and some hybrid clubs. We will no longer permit these clubs to be hit when the teeing area is mid-way forward on the driving range tee box. It will be Irons only. There will be signs put out to mark the days that it is Irons Only. If the Member appears to be ignoring the restrictions, Member will be held responsible for damage to property and golfing privileges may be suspended or terminated.

We thank you for your understanding.

I look forward to seeing you in the Golf Shop soon.

Our goal is always to provide a quality experience for all of our members and their guest.

Keith Simmons, *Director of Golf*

SENIOR MEN'S GOLF ASSOCIATION

In September, we held our annual SMGA Club Championship, the Interclub League played, and we finally had some cooler weather roll in the last week of August and into September. This made it much more comfortable to play 18 holes.

Over the last 10 years the SMGA has generously donated more than \$160k to the Family Hope Ministries. This money goes toward shoes, socks, and backpacks of school supplies for at risk youth in the Fulshear Simonton area. The photo is of our Community Involvement Committee presenting the most recent check of almost \$2k to Family Hope.

The SMGA Club Championship was held on 9/12 & 13. The weather was 2 perfect days for golf. We had 39 players divided into 2 Gold and 2 Red / Orange flights with payouts for gross and net. The gross was paid to 1st place in each flight and net paid to 5 places in each flight. Skins were paid for each day and 50% of the players got some \$\$ back. Our 2024 SMGA Club Champion is Rodney Bartek.

On 9/17 the Inter-Club League was hosted at Falcon Point. Weston Lakes was represented by: J. Self, J. Fontenot, M. Johnson, J. Brooks, R. Kimbrell, J. Weant, D. Diestel, and J. Jones. Again, we fielded some of our top players but didn't place very well. This is a very competitive league. Thank you, gentlemen, for representing W. L. There are 2 more league competitions this year. WESTON LAKES FITNESS CENTER

Fitness Director

Thanksgiving is right around the corner, and suddenly we begin to replace our healthy nutrition habits with leftovers from last night's holiday party. Don't let the chaos of this holiday season be a reason to stray away from your goals. More often than not, there are healthier alternatives to many of the delicious dishes that come to mind this time of year. No matter what you do, we hope that you enjoy your thanksgiving meals; just do your best to avoid using a holiday as an excuse to overindulge. Make sure to get out for walks or workouts around the holiday, NOT as a punishment, but as a way to stay active during the down times!

For more information, or to schedule a training session with a personal trainer, or a massage with one of our massage therapists, please email Ross Kilpatrick at Ross@westonlakes.net.

KEEP WESTON LAKES BEAUTIFUL

"Inspire, educate, and empower our community to sustain and enhance the natural beauty and environment of Weston Lakes"

Georgia and Annamarie Bibens shown here checking out the flowers in the KWLB Butterfly Garden and enjoying books from the Little Free Library. Take a stroll through Pecan Park to enjoy the peaceful gardens and watch pollinators at work!

Donuts & Discovery. The KWLB Bird Sanctuary, with a total of 91 Texas native trees (8 different species), provided the perfect location for "Shady Characters - Let's Talk Trees". Almost 50 kids and an equal number of adults had a blast and left with a greater appreciation for the value of trees in nature. Texas Master Naturalists provided hands-on activities to learn about trees. A tree hike lead by a resident Texas Master Gardener applied that learning by sight and touch - exploring bark, seeds, and more. Rounding out the fun, the kids had Show & Tell, made leaf rubbings, and did leaf imprints in clay to take home. Thank you Stroll Weston Lakes and Jennifer Francois Properties for sponsoring our event and to our awesome KWLB volunteers!!

3Rs Tip Box

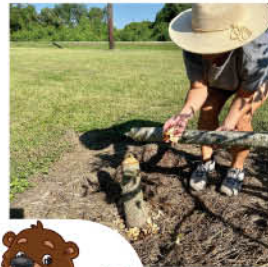

by Allison Dewees, Texas Master Gardener

Let's talk trees. The right tree in the right place has been proven to reduce energy costs, decrease crime, increase the value of your property, and overall makes people happy. Texas Arbor Day is in November and it's an ideal time to plant a tree.

Legacy Brick Order Form

KWLB Legacy Path. This striking addition to the Bird Sanctuary provides a meaningful opportunity pay tribute or to celebrate. Scan the QR code to add your customized brick to the legacy path!

Beavers attack our Weston Lakes entrance trees and KWLB volunteers attack back!!

Please help us keep our events and projects going! You can volunteer, make a tax deductible donation, sponsor activities, or receive more information by emailing info@KeepWLBeautiful.org - or just text Joyce at 713-882-1331.

FROM THE MAYOR

Hello Neighbors,

VOTE !! If you did not take advantage of early voting, please help Precinct 1149 continue to be the leader in Fort Bend County voter turnout by voting on Election Day, November 5th. The nearest polling location is the Fire Station on FM 1093 just across Bowser Road from Weston Lakes. Please take the time to become an informed voter in all races. Many of the down-ballot races have the greatest impact. Check the City of Weston Lakes website at westonlaketexas.gov to see a sample ballot and a list of early voting locations. Aldermen Phil Thomas, Russell Beustring and Jeremy Burnett were unopposed and therefore declared elected for another two-year term and will not appear on the November ballot.

County Fair The 2024 Fort Bend County Fair was a huge success. Thank you to those who donated to the Fort Bend Buyers Group. I was happy to help serve at the Senior Citizens' event and was joined by Mayor Pro Tem Hamist and Aldermen Ragle and Thomas at the Mayor and Council Dinner at the fairgrounds. The next day, I was honored to represent Weston Lakes by riding in the Fair Parade. The following Friday, my wife, Ida, and I participated in the Exceptional Rodeo, an event providing the special-needs kids in Fort Bend County an opportunity to have a first-hand rodeo experience. Pictured below is Weston Lakes Mayor Bob Wall along with the mayors of Katy and Fulshear. Also pictured, on horseback, are some of the stars of the exceptional Rodeo.

City Web Site The City of Weston Lakes' web site address is westonlaketexas.gov. This is the city's official means of communication for the latest information on council meetings, hurricane updates, election information and everything else that pertains to the city. For newer residents not familiar with the separate entities in Weston Lakes, the City of Weston Lakes is different from the Weston Lakes Property Owners Association and the Weston Lakes Country Club, each of which has its own website.

Council Meetings Regularly scheduled City Council meetings will be in the Weston Lakes ballroom on the fourth Tuesday of each month at 6 p.m., unless noted on the city website due to a holiday conflict or meeting cancellation. The public is always welcome.

Bob Wall, Mayor – Weston Lakes

GARDEN SOCIAL CLUB

Fall is in the air and the ladies of the Garden Social Club are enjoying our fall meetings. It's been fun to be back together visiting with one another, exchanging gardening ideas and sharing lunch with friends. At our last meeting the Garden Social Club was proud to support the Weston Lakes Foundation scholarships. For the 13th year in a row our members provided a \$500 check to the Weston Lakes Women's Association for the Foundation. One of the pictures here shows Garden Social Club President Elizabeth Robbins presenting the check to Lisa Guerre from the Women's Association.

Come join us for our meeting on November 12th! Due to the Thanksgiving holiday, we will meet on the second Tuesday of the month instead of the 4th. We will have a holiday greenery presentation to learn about holiday evergreen traditions. Evergreens have long been symbolic of life and growth, and early Christians decked their sanctuaries with boughs of evergreen as a promise of new life. Holly, with its green leaves and red berries, has long been a popular Christmas decoration. We will make a greenery item in groups and those items will be donated to the Brookshire Residence and Rehabilitation Center.

Dues for joining the Garden Social Club for this year are now \$30. That's a bargain to be able to enjoy the fun programs we have planned and to enjoy the friendships made! You can mail your check

to 4958 Westchester Drive, porch drop it off or bring it to the next meeting. Please include your email, clearly written, on the check. Enjoy the pictures of our members at our last meeting. As you can see from the pictures, we have a lot of fun with each other! We are a learning club that enjoys coming together in the company of lovely neighbors. No gardening skills required!

WOMEN'S ASSOCIATION

Every year, your generous support and contributions to the Women's Association through our community fundraising efforts, i.e., the Scholarship/Grant Fundraiser, Swap Meet and Fall festival, all fund our philanthropic arm -- The Women's Association Foundation. Our association, with a mission to support education and uplift deserving individuals, has awarded many scholarships through the years. Now let us delve into some of these students' academic journeys and see "Where are they Now?"

Let's check in with past scholarship recipient, **Sarah Dewees**.

Once a WLWA Scholarship winner, now a Founder and CEO of an up and coming skincare brand, Dermwel.

Sarah Dewees

Upon receiving the scholarship, Sarah Dewees attended Carnegie Mellon University in Pittsburgh, PA, and graduated with a dual Bachelor of Science in Chemical and Biomedical Engineering. She received her first job out of college with Abbott Laboratories in Dallas, TX. While there, she worked on novel clinical diagnostic analysis software deployed in hospitals throughout the world.

It was around that time she realized her passion in skincare after having developed adult acne herself. She spent the next five years of her career working at a skincare manufacturing plant, managing everything from product development to operations to strategic sales for globally recognized, high-profile skincare brands. She has managed over 100+ product launches that you can find on your shelves and in medical spas today.

Today, Sarah is the Founder and CEO of her own skincare brand, Dermwel. Utilizing her previous industry experience and connections, she has been able to create a more accessible yet high end, medical grade skincare brand. Dermwel is a clinical brand backed by her years of science education, but led by the wellness/self care industry. The product suite looks to solve complex skin issues, utilizing a truly holistic approach drawing from both clinically tested and age old wellness practices.

Sarah is an active member in the Societies of Cosmetic Chemists and American Institute of Chemical Engineers. She is also a Girl Scout and Delta Gamma alumni, having received the Gold Award for the former. She still resides in Dallas with her fiancée and two cats. She's recently started to pick up tennis in an effort to one day beat her parents (who you can regularly find at the pickleball courts) at pickleball.

The WLWA Scholarship played a key role in allowing Sarah to attend the university of her choice, which set in motion all the proceeding opportunities that has made her a CEO/Founder by the age of 30. It taught her how to be her own promoter and gave her the confidence to ask for what is necessary -- all skills that she has carried and will continue to carry into this next chapter of her life. She is ever grateful for the community of Weston Lakes and the WLWA Scholarship!

Check out Dermwel at www.dermwel.com or at @dermwel on Instagram

Let's continue to pour in to students like Sarah! The journey from scholarship recipient to successful professional is a testament to the resilience, determination, and transformative power of education, and the giving spirit of Weston Lakes. And yes, we still need your help! Please consider a contribution to the Women's Association Scholarship Fundraiser. Our events such as Fall Festival, Casino Night, the Community Challenge and many more support this deserving scholarship.
